

Hemispheres[®] - Stroke Competency Series--Stroke Competency: The Complete Package.

The brain is amazing and so is this multi-level, interactive, comprehensive, web based educational series. Designed to train all levels of users, from students to physicians!

Testing after each level provides robust administrator reporting and a passing score allows an individual to print a course completion and/or continuing education certificate.

The 8 levels of Hemispheres[®] include:

- I. Brain Anatomy & Physiology
- II. Stroke Pathophysiology
- III. Pre-Hospital & ED Stroke
- IV. In-Hospital Ischemic Stroke
- V. In-Hospital Hemorrhagic Stroke
- VI. Stroke Prevention
- VII. Excellence in Stroke Care
- VIII. NIH Stroke Scale Training and Certification

How are you meeting your Stroke Competencies?

Hemispheres[®] is the ONLY program where you will find seven levels of Stroke Center education and references plus the NIH Stroke Scale Training and Certification in one comprehensive package!

What are the two most difficult issues you face today?

Staff retention and Competencies

Hemispheres[®] can help with both! By investing in your staff, you provide much needed education and competencies, conveying your organizations appreciation and support. Happy, confident, competent and appreciated staff feel valued and empowered, and will stay on in your organization!

APEX Innovations builds and delivers the most interactive and creative online education your staff will ever experience...the way e-learning should be! Our courseware will education your staff, empowering them to deliver confident care with superior patient outcomes.

Grow staff. Build confidence. Strengthen your organization.
